- **Problems Encountered and Resources Required:** Problems encountered by the stakeholders such as domestic financial problems of the student stakeholders are solved by generating resources jointly by the College and Institution.

ii) Best Practices – II

- _ **Title:** Providing nutritious food to selected girl students having nutritional deficiency.

- _ **Goal:** Create awareness of health among the girl students and their parents.

- _ **The Context:** Concerned girl students are from very poor families having no medical facility nearby their residence.

- _ **The Practice:** The organization of medical check up camp is done throughout the duration of last accreditation. However, the nutritional food provision has been started during 2015-16.

- _ **Evidence of Success:** The total number of girl students having nutritional deficiency has been gradually reducing during last five years. Moreover, the concerned girl students as well as parents became aware of the importance of nutritious food.

- _ **Problems Encountered and Resources Required:** The financial problems encountered for this practice is solved through collection of funds from the esteemed institution and donors in the region.
